The online membership process is not a totally automatic process.

You will receive an automatic reply confirming that your application has went through and has been received at the centre.

Then actual membership signing up process is now done manually by our membership volunteers. A membership number is created and an acknowledgement is then sent out along with a membership pack.

This manual stage may take a short while to process.

Once a membership number has been allocated, a request can then be made for a password to access members area of the website.
