Logie Cemetery Monumental Inscriptions may be purchased from Tay Valley FHS – publication ref. no. [M-542](#) (booklet) or [CD-21](#)

The stones are identified by two letters, LD, denoting Logie Cemetery, followed by a single letter and two numbers. The single letter denotes the row within the graveyard, reading alphabetically from west to east, and the number indicates the position of the stone counting southwards from the north end of the row. For example, stone LD-C05 is in Logie Cemetery, in third row from the west, and is the fifth stone south from the north end.
