Cortachy Kirk is flanked by lairs except to the north.

Identification of the stones is by two letters, CY, denoting Cortachy Kirkyard, followed by a single letter followed by a number. The single letter designates the row, reading alphabetically from west to east, and the numbers designate the stone numbering south from the northern end of the row. For example, CY-E03 is in row E, or the fifth row from the west, and is the third stone from the north.
