Glenisla Kirkyard Monumental Inscriptions may be purchased from Tay Valley FHS – publication ref. no. [M-540](#) (booklet) and [CD-17](#)

**Glenisla Kirk faces slightly north of east rather than in the traditional due east direction, and the gravestones face in the same north-easterly direction.**

**Identification of the stones is by two letters, GA, denoting Glenisla Kirkyard, followed by a single letter followed by a number. The single letter designates the row, reading from south-west to north-east alphabetically, and the numbers designate the stone, numbering south-east from the north-westerly end of the row. A number of stones at the south-westerly end of the church are designated as row A. Rows B to S run from the south-west end of the graveyard on the south-eastern side of the church building. For example, gravestone GA-E03 is in row E, the fourth row from the south-west, and is the third stone from the north-east.**
