**Glen Prosen Kirk is surrounded by lairs.**

Except for the row A, which runs east-west along the north boundary wall, the lairs are in the Scottish custom of lines on a north-south axis, with the stones facing east. Identification of the stones is by two letters, GN, denoting Glen Prosen Kirkyard, followed by a single letter followed by a number. The single letter designates the row, reading from west to east alphabetically, and the numbers designate the stone numbering south from the northern end of the row. For example, gravestone GN-E03 is in row E, the fourth row from the west, and is the third stone from the north.
