

St Andrew's Kirkyard, Dundee, Gravestone Index

St Andrew's Kirkyard Monumental Inscriptions may be purchased from Tay Valley FHS – publication ref. no. [M-542](#) (booklet) or [CD-21](#)

St Andrew's Kirk faces north of east rather than in the traditional due east direction, and the gravestones face in the same north-easterly direction.

The stones are identified by two letters, SA, denoting St Andrew's Kirkyard, followed by a single letter and two numbers. The single letter denotes the row within the graveyard, reading alphabetically from south-west to north-east, and the number indicates the position of the stone counting south-eastwards from the north-west end of the row. For example, stone SA-C05 is in St Andrew's Kirkyard, in the third row from the south-west, and is the fifth stone from the north-west end of the row.

Rows A to E are to the south-west of the central path, and rows E to I are to the north-east.
