St Peter's Kirkyard Monumental Inscriptions may be purchased from Tay Valley FHS – publication ref. no. [M-542](#) (booklet) or [CD-21](#)

**St Peter's Kirk faces north of east rather than in the traditional due east direction, and the gravestones face in the same north-easterly direction.**

**The stones are identified by two letters, SP, denoting St Peter's Kirkyard, followed by a single letter and two numbers. The single letter denotes the row within the graveyard, reading alphabetically from south-west to north-east, and the number indicates the position of the stone counting south-eastwards from the north-west end of the row. For example, stone SP-C05 is in St Peter's Kirkyard, in the third row from the south-west, and is the fifth stone from the north-west end.**
